deli dishes to go

The Deli offers a generous variety of delectable dishes to go, to be served at private or corporate functions. The following catering menu has been organised into sections to make choosing that bit easier. However, please do not hesitate to ask for our help when organising your function. If a dish you may like does not appear on the menu, please ask us and we will try to accommodate your request. Because of our quest for excellence some dishes may be limited to a minimum order to ensure they are created to the high standards we have set.
